

eVision, LLC Selected as One of The Most Dependable™ Web Designers of The Northeast

eVision of Connecticut has been selected by Goldline Research as one of The Most Dependable™ Web Designers of The Northeast for 2008. The list of The Most Dependable™ Web Designers of The Northeast is scheduled to be published in the June 1st issue of Entrepreneur Magazine. eVision, LLC was chosen in this region to receive this prestigious award.

Branford, CT, May 2008-- eVision, LLC has been selected by Goldline Research as one of The Most Dependable™ Web Designers of The Northeast for 2008. The list of The Most Dependable™ Web Designers of The Northeast is scheduled to be published in the June 1st issue of Entrepreneur Magazine. eVision, LLC was chosen in this region to receive this prestigious award.

"We focus on designing web sites that turn visitors into business for our clients" said George Aspland, President of eVision. "We're honored to be selected as one of the Ten Most Dependable™ Web Designers of the Northeast since this award depended on positive testimonials from our clients who have benefited from our Conversion Point Architecture web site design process."

"eVision, LLC truly distinguished itself during our evaluation of the industry," said Allen Scott, Research Director, Goldline Research. "The firm met or exceeded every expectation we have for holistic, client-centric firms."

About eVision

eVision, based in Branford, Connecticut USA, has been providing site design and online marketing services to clients around the world since 1998.

eVision uses it's proprietary Conversion Point Architecture process to design user focused, search-engine friendly web sites that convert visitors into customers. Conversion Point Architecture is a proven combination of art and science drawing from many fields including psychology, the usability field, web-buying behavior research and web technology and typically includes usability/conversion rate evaluations, target audience analysis, defining site objectives, user testing, advanced site analytics, complete content reviews, site architecture design, and site development.

Find out more about eVision and Conversion Point Architecture by contacting eVision at 203.481.8005 or visit their web site at www.evisionsem.com

About Goldline Research

Goldline Research is a third-party, independent research firm specializing in evaluating professional services firms. Goldline Research undertakes an extensive, in-depth research process to review all qualified companies in a respective area. Its proprietary research process includes individual company interviews and quantitative analysis of key company data, as well as customer reference checks to confirm high levels of customer service. Those companies that ultimately earn Goldline Research's Most Dependable™ designation demonstrate a commitment to service unparalleled in their industry.
